

## Your Quest is over for the ideal business and leisure base in historic Fremantle

Quest Harbour Village is uniquely located on the quay at Challenger Harbour in the historic port city of Fremantle. Founded in 1829, Fremantle is one of the most beautifully preserved port cities in the world, with many of the older buildings dating back to the mid 19th Century.

Nowadays, Fremantle continues to be a major port and is well known for its vibrant commercial and fishing industries. The City is also home to Fishing Boat Harbour, and the 'Cappuccino Strip' of South Terrace with its host of boutique bars and alfresco cafés which feature fresh local produce in its Mediterranean cuisine. Whether you are looking for a lazy breakfast, late night coffee or sampling some of the finest fresh seafood in Western Australia, you will find it in Fremantle.

Quest Harbour Village provides guests with a choice of 55 one, two and three bedroom apartments offering panoramic ocean or harbour views. Our apartments feature: a fully-equipped kitchen, private laundry facilities, in-house movies, a range of Foxtel channels and broadband internet access. Guests can enjoy the outdoor spa and barbeque area and limited complimentary parking is available.
